Art Unit: 1756

1. The examiner acknowledges the amendment to claim 8 filed on May 24, 2004 (Amdt052404). Claims 1-19 are pending.

2. The examiner has considered only the material submitted by applicants, i.e., copies of the originally filed claims, abstracts, and figures of the US applications listed in the Information Disclosure Statements filed on Mar. 22, 2004, Apr. 5, 2004, Apr. 20, 2004, Apr. 29, 2004, and May 17, 2004, respectively.

3. The interview summary of Nov. 17, 2003, is attached to this office action. The interview summary was inadvertently not mailed with the last office action.

4. The rejection of claim 8 under 35 U.S.C. 112, first paragraph, set forth in the office action mailed on Mar. 18, 2004, paragraph 6, has been withdrawn in response to the amendment to claim 8 filed on May 24, 2004.

4. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Art Unit: 1756

5. Claim 8 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 8 is indefinite in the phrase "an electrophotographic apparatus comprising a toner vessel in the apparatus" because it is not clear what is the structural relationship between the apparatus and the toner vessel. The claim does not recite any structural relationship between the apparatus and the toner vessel.

The examiner notes that the above rejection is similar to the rejection of originally filed claim 8 set forth in the first office action mailed on Mar. 19, 2003, paragraph 4.

6. Claims 1-7 and 9-19 are allowable over the prior art of record.

Claim 8 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Art Unit: 1756

The claims are allowable over the prior art of record for the reasons discussed in the office action mailed on Mar. 19, 2003, paragraph 5, which are incorporated herein by reference.

7. Applicants' amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicants are reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.

8. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Janis L. Dote whose telephone number is (571) 272-1382. The examiner can normally be reached Monday through Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mr. Mark Huff, can be reached on (571) 272-1385. The central fax phone number is (703) 872-9306.

Any inquiry of papers not received regarding this communication or earlier communications should be directed to Supervisory Application Examiner Ms. Claudia Sullivan, whose telephone number is (571) 272-1052.
